A message from our Chairman...

Hello and welcome to what we hope will be an exciting new year of rallies. As I am sure you'll already know by now, we are now officially The Cumbria and North Lancashire Centre and the first 2 centres in the Country to join forces in this way.

As always, we have venues that are tried and tested, but also something new in the program to try. Why not try the Northern Centres Rally (it's back to its original name) and Clubfest (what used to be the National Rally). For all this I must thank the Rally Officers and Bev, our Rally Secretary, for arranging and running these

events, they don't just happen! I would also like to highlight that everyone involved in running rallies, and the Centre are all volunteers; no-one is paid.

Whilst thanking people, I must thank the members of the Committee, all of whom were on one of the 2 Centres committees before the amalgamation. It is them, and those who retired at the AGM last October, who have made this new Centre organisation work so effectively.

We still have places on the Committee and we are always looking for new Rally Officers. If you are even vaguely interested, please speak to a current Committee member or Rally Officer, or contact me by email with any questions you may have at chairman@cumbria-centre.co.uk.

I'm sure that you have all heard about the Club's Regions; they are now called Divisions and have more devolved powers that previously only Headquarters had. It will have little impact on what we as a Centre and you as Ralliers do but their Website and Facebook pages have information on the whole of the North of England. You can find them at <https://northerndivisioncamc.co.uk>.

I have now been Centre Chairman for 6 years and it is high time that I retired; not that I haven't tried, but we really need a Vice-Chairman first who will follow through to become Chairman next year. If that sounds like a role you would be interested in, please get in touch with me as soon as possible; the longer you are on the Committee, the more experience you will gain before taking over.

I hope you enjoy your journeys, wherever they may take you.

A message from our Rally Secretary...

Welcome to the Cumbria and North Lancashire Centre 2025 handbook and thank you for taking the time to find and read it!

This year has been less straightforward as we have tried to align our handbook, booking process, payment system and website. I anticipate it will be a year long job to bring everything together - but as long as you all come and support our rallies it will be worth it.

We are leading the way within CAMC with our newly formed, merged Centre, hopefully the only difference you will find is that our rally programme has increased - bursting with your favourite venues and hopefully some new ones for you to try.

We're in a strong position and excited to keep pushing the Centre forward.

For anyone who has never rallied before you can read our rallying guide here:

<https://www.cumbria-centre.co.uk/rally-information>

To our current members and regular visitors, thank you for continuing to support us. Without your valued participation, the hard work is pointless. Please keep posting your rally pictures and your votes of thanks on Facebook, and you can tag us on Instagram too. It's sharing the view of the rallier that piques the interest of other people, and enables our Centre to gather momentum; continuing from strength to strength.

Don't forget that our handbook is digital and it will be updated when necessary. It is always worth checking back for the latest information. We also share regular updates on our Facebook page and our Instagram feed, so make sure you find and follow us.

When booking a rally, please take note of specific rally details, which differ from rally to rally. Paying special attention to the rally start time (some of us Rally Officers are also working a 9 - 5!), and the payment reference for when you make that BACs payment. Our Rally Officers will endeavour to send a pre-rally email about a month before their rally starts, so keep a look out for that and if you don't get one then do get in touch with either them or me.

As always, you can contact us via Facebook, through our 'contact us' button on our website or our email addresses are available both in this handbook (on page 3) or on the website too.

We hope you have a safe and enjoyable 2025 season - thank you for choosing Cumbria and North Lancashire Centre!

Rally payments:

As per the 2022 AGM, the committee constantly reviews the pricing structure of Centre rallies to make sure they remain the best value for money for the members.

The following deposit and cancellation policies are still applicable:

- One night fee is payable upon booking. This will be the ‘deposit’. Full payment is required 28 days prior to the rally start date (or as per the date displayed on the rally handbook page if this is earlier), £5 of this is non-refundable*.
- Any cancellations prior to the 28 days rally start date will receive a full refund excluding the £5 non-refundable fee. Any cancellations within the 28 days prior to the rally start date will incur the first full nights fee. All refunds are at the discretion of the committee. The choice to move the payment forward to another rally within the rally calendar is available upon request. In the case of cancellation of a rally by the Centre, all payments will be refunded.
- Any members that leave a rally early and request a refund for their remaining nights through the Rally Officer, will be made at the committee’s discretion.

We encourage all rally payments to be made by bank transfer. All refund payments will be made by bank transfer.

*as per rule 18 of Centre Rally Rules.

Safety first on rallies:

- **Drive with care – speed limit is 5mph.** Visitors must also adhere to the speed limit. Always be alert for children playing around caravans.
- Only fully licensed drivers are allowed to drive on the rally field – driving lessons are NOT permitted!
- Please keep dogs on a lead on the rally field and exercise them away from the caravans. When tethered use a lead up to 2m long and secured near the door side road wheel.
- You must clean up any mess they make.
- The tap on most rally fields is the only drinking water available. DO NOT RISK contamination by taking chemical toilets or toilet containers to this supply

Never rallied before?

We would like to welcome you to the Centre and hope that you enjoy browsing this Programme of rallies that has been put together for the coming season.

So, what is a rally?

Many of our Centre members have never joined us on a rally and maybe this is because the word 'rally' conjures up so many different images. Yes, there are words only heard within the 'rallying world' i.e., 'flag', but these words are the foundation of what a rally is. ('Flag' is an informal and optional gathering at the start and end of the rally where tea, coffee, and conversation flow.) What a rally involves is explained below.

What kinds of rallies are there?

All of our rallies have their own individual character. Some are quiet affairs with no organised activities. Other rallies have 'socials' and activities organised which may be in the local village hall or on the site in summer. Everyone is welcome to join in the activities, but equally there is no expectation. Activities range from traditional to new and you will receive a warm welcome every time.

How does it work?

On arriving at the rally, you will be welcomed on to site by the Rally Officer and directed to your pitch. You will be given an envelope containing some information for the rally and an optional competition or quiz. Usually on the first evening of the rally, there will be a 'flag'. You are welcome to join in with the rally activities as much as you like. The Rally Officer is always on hand if you have questions.

The rally will be 'closed' on the final day with another 'flag' and awarding of any competition prizes. Rally Officers also take this time to update you on forthcoming events and Centre news. After all, it's your Centre!

Cumbria and North Lancashire Centre gives you a fantastic opportunity to experience a vast range of venues. Whether it be picturesque landscapes where you can spend time relaxing or exploring, or a location near to great shopping opportunities. The simpler rallies are often exceptional value for money with nominal fees charged but increasingly, rallies are held on commercial sites – often at a discounted rate.

How do I book or get more information?

The best place to start is to contact the Rally Secretary rallysecretary@cumbria-centre.co.uk or the Rally Officer listed for the rally you are interested in. They will be able to guide you through making your booking and give you any further information you need.

This is your Centre so relax, pull up a chair and enjoy.

We look forward to seeing you on a Cumbria and North Lancashire rally soon!

Non-attendance at rallies:

If you have booked a rally and can no longer attend, please make every effort to contact the Rally Officer so they are not concerned that you have failed to arrive.

If you must cancel at the last minute and cannot get in touch with the Rally Officer, please phone the Chairman or any other committee member and they will do their best to make sure the Rally Officers know that you will not be arriving (or perhaps arriving late).

Please remember that non-attendance will be subject to the cancellation policy, and a refund will be at the Committee's discretion.

Please make sure you read the Rally Payments section on Page 6 of this handbook to ensure you understand the cancellation policy in place.

Limited rallies:

When the rally is full, the Rally Officer will operate a waiting list.

If you cannot attend, someone else could, so please let the Rally Officer know as soon as possible if you must cancel.

Do you fancy being a Rally Officer?

Cumbria and North Lancashire Centre is always keen to encourage and support new Rally Officers.

Would YOU like to give it a try?

Running a rally can be as easy or as hard as you choose to make it, depending on how much time you want/can spend on it. You could assist in running a rally that is already planned, or you might prefer to find your own venue and run it with friends.

If you are interested, please contact the Rally Sec, any committee member or ask Rally Officers on your next rally.

We're a friendly group and we will be more than willing to offer advice and support and answer any questions.

Cumbria & North Lancashire Centre Procedural Rules

As agreed at the 2024 AGM

1. The Officers of the Centre shall be the Chairman, the Secretary and the Treasurer. Of the other Committee posts, the post of Vice-Chairman and Rally Secretary will also be nominated posts for election at AGM.
2. No Member may be elected to fill more than one of the Officer places on the Committee.
3. Every Committee Member must be a Full, Joint or Family Member of the Caravan and Motorhome Club and registered as such with Cumbria & North Lancashire Centre.
4. The Officers and Committee must retire annually and stand for re-election at each AGM if they wish to continue on Committee.
5. There is no statutory limit to the time Committee Members or Officers can hold a post, with the exception of the Chairman's post which is limited to a maximum of three years.
6. A prospective Chairman may not be considered unless he or she has had at least 12 months experience of committee of any centre (of the Caravan and Motorhome Club). In the event of no nomination for Chairman, and the Vice-Chairman not being able or willing to take up the post, a Past Chairman should be co-opted by the Committee to be caretaker Chairman until an Extraordinary General Meeting is held once a nomination for Chairman is received. The initial approach by the Committee should be to the most recent Past Chairman and would move back in order until the post was filled.
7. Not more than two members of a household may stand for election to the Committee at any one time.
8. The Officers and Committee are not permitted to sign each other's nomination for election or re-election.
9. Nominations for the Committee must be with the Secretary by midnight fourteen full days prior to the AGM.
10. The Secretary must check the validity of nominations as soon as possible after receipt and inform nominees of any discrepancies in order to correct any anomalies.
11. A current list of nominations for The Committee will be posted on our website and Social Media six weeks before the AGM then updated until nominations close. It may also be announced on rallies at flag.
12. Proxy voting is not allowed.
13. Only Caravan and Motorhome Club members, Joint and Family members who are also Cumbria & North Lancashire Centre members may vote or speak at any meeting, after first being confirmed as registered with Cumbria & North Lancashire Centre. Validity of Centre membership will be checked against the most recent Caravan and Motorhome Club nominal roll. To speak or vote simply raise a hand.
14. In the event of a vote for Committee, the following must be adhered to. Election for Committee will be by ballot, and the Secretary shall have ready suitable slips of paper. Two or more tellers

Find us on Facebook and Instagram

will have been appointed in readiness. They must be responsible and discreet persons who have no interest in the result and are willing to miss the proceedings for some minutes. Tellers must be Caravan and Motorhome Club Members, Joint or Family members and if possible, should not be members of Cumbria & North Lancashire Centre. The tellers will report the result to the Chairman and votes must not be disclosed.

15. All unopposed, valid nominations must be announced as such to the AGM and if accepted by the membership, the nominees are automatically elected.
16. The Auditor shall be named at the AGM for acceptance by the membership.

Committee

17. In the event of the Chairman and Vice-Chairman not being in attendance at any official meeting; an Officer or Committee member agreed by the other Officers and Committee members present will lead the meeting.
18. Committee meetings shall be held no less than five times a year, with a reasonable distribution throughout the year.
19. A Committee quorum shall consist of more than half the Committee, and no less than four.
20. Only members of the Committee may sit in at any Committee meeting, with the exception of a Minute Secretary where necessary, or any person who is invited by the Committee to speak in connection with an agenda item, who must then withdraw following the conclusion of that business.
21. All Officers and Committee members may speak and vote on any subject under discussion by the Committee. In the event of a tied vote the Chairman has a second or casting vote.
22. The Committee must not divulge the names and addresses of Centre members or correspondence of the Centre or Club.
23. The Secretary may pass appropriate information from the minutes of Committee meetings for publication on the website and Social Media.
24. An immediate Past Chairman shall have copies of any Committee minutes for their information for the period of their immediate Past Chairmanship, after ratification.
25. An inventory of all property belonging to the Centre shall be taken by the appropriate Officers prior to the AGM, and a copy submitted to the Treasurer at the AGM. Decisions for all repairs and replacements shall be made by the Committee, and the inventory amended accordingly for that year.
26. The Centre bank account must be operated by the Treasurer and one or more of the Committee, authorised by the Centre. They must not be related or members of the same household.
27. Whilst on official Centre business, all Officers, Committee members and Rally Officers (for site visit prior to the event) are eligible to claim recompense of out of pocket expenses for Centre or rally expenditure and mileage allowance.
28. The Chairman may claim travelling expenses incurred during their attendance at an official invitation rally, excluding the first 100 miles travelled, and subject to a maximum of £25.00 per rally.

Complaints

34. In the event of a rallier/member having a complaint against the behaviour of any other rallier or member which they are unable to resolve themselves, they are to direct their complaint to the Rally Officers, who with the assistance of any attending Committee member(s) should attempt to resolve the situation. If unresolved, a written report (either by post or email) must be submitted to the full Committee, via the Secretary, by all parties concerned. If any complaint is against a Rally Officer or Committee member, the complainant should initially make a direct approach to the person concerned, and if unresolved put their complaint in writing (either by post or email) to either the Secretary or Chairman.
35. Any other complaints or views on any other subject should be put in writing (either by post or email), addressed to the Secretary, to be considered at the next Committee meeting, to which the sender will receive a written reply.
